Joe is a Certified Commercial Investment Member designee. CCIM designees are recognized as leading experts in commercial investment real estate.

Joe is responsible for handling all aspects of buying and selling and/or leasing commercial real estate for wide range of clients. He specializes in buyer and tenant representation, investment sales, land disposition and acquisition and office and industrial sales and leasing. Joe's approach to real estate is centered on forming long-lasting partnerships with clients in order to achieve their real estate goals.

In addition to Joe's experience in sales and leasing, Joe has six years of experience working in Real Estate Appraisals in the Central Ohio Market. This experience gives Joe added analytical value when working with sales and leasing.
