Anthony has been with NAI Ohio Equities since 2004, specializing in commercial retail and investment properties. His approach is to fully understand the needs of his clients and then provide viable options along with the tools to make informed real estate decisions. Using the NAI network he can service their needs on a local, national or global level, as well as provide strong market knowledge, extensive research, and analytical expertise. Anthony has over seventeen years of experience in commercial real estate brokerage and management. His background in commercial property and casualty insurance has allowed him to gain valuable experience in building relationships and comprehensive analysis of commercial properties.
