Michael specializes in retail and office brokerage, as well as representing institutional clients such as The Ohio State University, Nationwide Children's Hospital and the Columbus Metropolitan Library. As President of NAI Ohio Equities since 2014, Michael relies on his 3 decades of experience to guide both longtime clients as well as the 23 agents at NAI Ohio Equities. Michael's integrity, enthusiasm for real estate and dedication to his clients have enabled him to be one of NAI Ohio Equities top producers year after year.

By developing relationships with an emphasis on personal service, Michael finds that serving clients' real estate needs requires a balance of business savvy, market insight and effective communication. He focuses on studying local economic conditions influencing a clients' business and then analyzes that information for its impact on the company's real estate needs. Michael's analytical skills and his deep understanding of all aspects of commercial real estate, ensure that his clients receive the best possible representation no matter how complicated the assignment.
