2050 S High is an activated ecosystem of small businesses and studios across this three story building. In the 4th quarter of 2021 The Fort has plans in place to deliver over 15 new studios and office spaces that will integrate startups, established businesses, artists, makers, and designers across this 67,000 SF building. This three story building has ground level retail bays facing south and west towards High Street that are ready to accommodate new concepts. New sections of studios are coming available on all three floors, each with private and climate controlled space.

Lock in your studio space and begin planning for a turn-key delivery in 2021. The First floor has 9,000 SF of retail space, concrete floors, flexible suites in 900 - 3,000 SF sections.
